## *Further Info*

We are thrilled for you to choose Heritage Acres for your wedding plans, and we will do what we can to accommodate them.

However, there are a few things we cannot supply: You or your wedding planner will have to make arrangements with vendors for catering and equipment, provision of tables and chairs, tableware, decorations, linen, cleaning, photography and entertainment.

You or your wedding planner will need to arrange event insurance and will have to obtain a special event permit.

To help you with wedding planning we have a list of highly recommended referrals which provide various wedding services such as: food, photography, music, co-ordination, flowers, cakes, bartending, personal services, tents/dance floor/chair rentals, event insurance and amusements for children. Just ask for it and we will email you info.

We are not able to accommodate wedding guests who may wish to stay overnight on the grounds.
